IT IS FINALLY HAPPENING!

Some of you have prayed for several years for a ministry to Hispanics in Toppenish to begin. Now, Calvary Bible Church, located in the downtown area of Toppenish, WA is beginning a new bi-cultural, Spanish-English church ministry. New weekly evangelism outreach & Bible studies in Spanish have begun; Sunday Services are transitioning into English & Spanish. A large majority of Toppenish residents is Hispanic, and for most of the people, Spanish is their first language. Pray for this new mission opportunity to reach lost ones for Christ!

New Life Bible Church (Iglesia Biblica Vida Nueva) - Yakima

Men's Discipleship Ministry

In February, a group of men spontaneously met together for "coffee" on a Monday evening. The fellowship, interest & support of one another was so thoroughly enjoyed and appreciated, the men decided to meet every Monday night! The informal time together centers in Bible study & discussion to enhance real, applied spiritual growth in their lives. Pray for these men as they seek maturity & wisdom as their live out their commitments to Christ!

Women's Ministry

Tuesdays are the "Women's Night Out"! This is a wonderful time to enjoy each other, support each other, and build good healthy relationships. These times are invaluable sources of insight & encouragement for women as they live & grow in their various roles where God has placed them. Pray for these women as they seek to become all God has designed them to be!

Change of Leadership

Pastor Julio Peredo resigned from NLBC & Iglesia Biblica Vida Nueva, effective December 31, 2008. The preaching & teaching ministries are continuing with support from the elders and special guest speakers, and the church continues to grow. God is very much at work in this group of believers! Pray for wisdom for the leaders of IBVN in their search for a new pastor to lead this growing congregation.
