A New Harvest in the Northwest

Springtime is in the air. We see new life growing all around us. This year there is a new ministry that is growing also. The newly formed New Life Hispanic Ministries (NLHM) is working with churches and individuals to meet the physical and spiritual needs of Spanish-speaking people throughout the Northwest.

Several years ago this ministry started as an outreach of a local church (Ahtanum Pioneer Church). Those working with this ministry soon realized that the needs and opportunities to minister were more than one church could accomplish. Also, there were several other churches and individuals who were interested in joining together to reach the Hispanic community for Christ. As a result, NLHM was incorporated in August of 2003. This ministry teams with churches and individuals who want to become involved in Hispanic ministry.

A newly organized Board of Directors is giving guidance to the ministry. Currently we are developing promotional material and will be contacting churches to share our vision. We also are assisting the new and growing Iglesia Biblica Vida Nueva (New Life Bible Church) in securing financing for a much-needed larger building.

Looking forward, we are trusting God as we work with both English-speaking and Spanish-speaking churches. We are planning new ministry opportunities such as:

- Starting new Spanish Bible classes and mission points.
- Developing partnerships between churches and ministry opportunities.
- Developing Spanish discipleship material and providing leadership training opportunities.
- Providing short-term cross-cultural mission opportunities for individuals and church groups.

There is a new life in the Northwest that will result in a new harvest. It is **New Life Hispanic Ministries** and we are working toward a harvest of souls within the Hispanic community. **Glory be to God for all He has done and will do!**
