Short term ministry is a growing part of our work.

NLHM roots began to develop as a team from Yakima served in Venezuela.

A reciprocal team from Venezuela came to Yakima to help begin NLHM! Mexico was added, as an invitation was received to join in reaching the families of Central WA Hispanics with the gospel of Jesus.

Ask God to show how you may be involved in this opportunity to serve!

Iglesia Biblica Vida Nueva, in Yakima, continues to grow. Men's discipleship class, at right, affords an opportunity to apply principles of Godly living from studying God's Word together.

"It has been a long time since I received a NLHM newsletter!", and "Have we been taken off the mailing list?" are questions some of you may be thinking. Yes, it has been a long time, but nobody has been removed from the list. We do want to update you with lots of good news! God is at work, and people are being impacted with the gospel through this ministry.

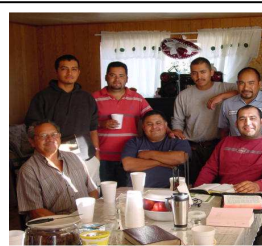

Read through the Praises & Prayer column it will bless you!
